

SCORE

RESTORE

The Green Alternative
to replacing your
old scoreboard!

Transform your outdated scoreboard while eliminating the need to replace the existing unit and structure. You'll realize HUGE savings because transportation and installation costs are dramatically reduced!

Patent Pending

Example:

8' x 6' Baseball Scoreboard	ScoreRestore	Traditional Scoreboard
Scoreboard	\$2755	\$4750
Installation	\$ 475	\$1500
Freight	\$ 200	\$ 350
Total Project	\$3430	\$6600

You can save more than 50%*

* Actual figures will vary.

Main Features:

-  Available in numerous heights and widths to fit over an existing unit—no matter what size or brand!
-  Easy installation – Arrives in panel sections which fit together to allow one person to assemble a large board with minimal equipment.
-  100,000+ hour superbright LED displays available in red or amber.
-  Both cable-operated and wireless control systems are available.

1 Keep your old, obsolete scoreboard and structure—no need to discard or remove!

2 Mount the innovative ScoreRestore panels directly to your old scoreboard while using your existing structure!

3 Get all the benefits of a new scoreboard quickly and affordably without the hassle and extra expense!
